

**ONASSIS
HOSPITAL**

Programme

**Workshop
From Theory to Bench:
Immunological Assessment
in Solid Organ
Transplantation**

**11-12 March 2026
Onassis Hospital**

Wednesday 11/3/26

- 09.00 - 09.30 **Registration**
- 09.30 - 09.45 **Welcome address**
Professor Ioannis N. Boletis
- 09.45 - 10.00 **Heart transplant programme**
Stamatis Adamopoulos
- 10.00 - 10.15 **Lung Transplant Programme**
Iraklis Tsagkaris
- 10.15 - 10.30 **Pediatric Kidney Transplant Programme**
Smaragdi Marinaki
- 10.30 - 11.15 **Rethinking Transplant Immunology: Crossing Borders, Sharing Donors, and Inducing Tolerance**
Moshe Israeli
- 11.15 - 12.00 **Setting up and sustaining a solid organ transplant Lab**
Pieridou Chryso
- 12.00 - 13.00 **Lunch**
- 13.00 - 14.00 **HLA Testing in Solid Organ Transplantation: The Canadian Experience**
Robert Liwski
- 14.00 - 14.45 **Standardization of antibody analysis**
Jean Luc Taupin
- 14.45 - 15.15 **SAGA-practical workshop**
Jean Luc Taupin
- 15.15 - 15.45 **Coffee break**
- 15.45 - 16.45 **Let's get real, we are virtually there: Best practices in HLA antibody interpretation and virtual crossmatching**
Robert Liwski
- 16.45 - 17.45 **General Discussion**

09.30 - 11.00

Halifaster Flow Cytometry Crossmatch
Robert Liwski

11.00 - 14.00

Wet Lab Workshop

ORGANIZING COMMITTEE

Xenia Gourzi, PhD, Scientific Director of Transplantation Immunology
Laboratory of Transplantation Immunology and Genetics, Onassis Hospital

Malena Pantou, PhD, Scientific Director of Genetics,
Laboratory of Transplantation Immunology and Genetics, Onassis Hospital

Joseph Paparaskevas, MD, PhD
Director, Clinical Laboratories Onassis Hospital

Ioannis Boletis, Professor Emeritus of Internal Medicine, Medical School,
University of Athens
President, Board of Directors, Onassis Hospital

FACULTY

Adamopoulos Stamatis, MD, PhD
Cardiologist, Former Director Heart Failure Department-Current Consultant
Onassis Hospital

Boletis Ioannis, MD, PhD
Professor Emeritus of Internal Medicine, Medical School, University of Athens
President, Board of Directors, Onassis Hospital

Israeli Moshe, PhD
Director Tissue Typing Laboratory
Beilinson Hospital, Rabin Medical Center, Petah-Tikva, Israel

Liwski Robert, MD

Head, Division of Hematopathology, Medical Director, HLA Typing Laboratory, Queen Elizabeth II Health Sciences Centre, Professor, Department of Pathology, Dalhousie University, Halifax, Nova Scotia, Canada

Marinaki Smaragdi, MD

Associate Professor of Nephrology & Renal Transplantation, National & Kapodistrian University of Athens, Director Nephrology & Renal Transplantation Clinic, Laiko General Hospital of Athens, Head Renal Transplantation Programme Onassis Hospital, Athens, Greece

Pieridou Chryso, PhD

Head of Tissues, Cells and Organs Department, Karaiskakio Foundation, Nicosia, Cyprus

Taupin Jean-Luc, MD, PhD

Professor of Immunology, Laboratory of Immunology and Histocompatibility, Saint-Louis Hospital and Diderot University, Paris, France.

Tsagkaris Iraklis, MD

Professor National & Kapodistrian University of Athens
Head, 2nd Critical Care Dept, Athens University Hospital Attikon
& Lung Transplantation Programme, Onassis Hospital, Athens, Greece
